LOCAL SELF-GOVERNMENT DEPARTMENT

NOTIFICATION.

Port St. George, May 2, 1927.

No. 254.—The following letter from the Secretary to the Government of Madras, in the Secretary to the Government of Madras, Local Self-Government Department, No. 124(XV)-32, dated Allahabad, the 22nd April 1927, is published:—

[Subject.—Pilgrims route to Badrinath.]

I am directed to say that a report has been received to the effect that a heavy fall of snow has recently damaged three big bridges between Pandukeshwar and Badrinath and that it is probable that the three bridges over the Vishnupur and the other big bridges near Badrinath have also been damaged. It is not possible to ascertain the damage suffered by these bridges as they are covered with snow to feet of snow.

2. There will be no difficulty in arranging for the passage of pilgrims when big bridges are damaged, but it will be difficult for them to cross the Vishnupur, should any of the bridges over it be seriously damaged.

3. The doors of the temple at Badrinath will be opened on May 15, 1927, and this gives very little time for the snow to melt and the necessary repairs to be done in time. I am, therefore, to request you to give so much publicity to the facts mentioned above as possible and to suggest to intending pilgrims that they should delay their departure for Badrinath as much as they can. They may otherwise suffer great discomfort and inconvenience.

Assistant Secretary to Government.
